DENNIS P. JAWORNE, CLERK
US DISTRICT COURT, EDNC

Dear Clerk:

Attached, please find a copy of the outside of the compact disc which was provided to my attorney which allegedly contains the Government's initial disclosures in the above-referenced matter.

Please make note that the disc contains the wrong name. My name is John Ballard. Additionally, the Government designated 1461 pages as "Attorney Eye Only" which precludes me from assisting with my defense. Therefore, I'd like for the Court to take note that the United States failed to comply with full disclosure of their Initial Disclosures in this matter since the disc references the wrong name and they are withholding 1461 pages of information. Because evidence has been manufactured and some Bureau of Prisons staff members have stolen confidential legal research information, confidential attorney/client records, and sealed records from a California state court, I must be able to review all records.

Thank you for your understanding.

Sincerely,

John Ballard
